

# **You can do so much more with the NHS App than you realise**

**You can quickly and easily request your repeat prescriptions.**

**And if you turn on notifications, you'll get messages and appointment reminders as soon as they're sent.**

**You can also view your GP health record, get your test results before they arrive in the post, and book and manage appointments. All when it suits you.**

**You can download the NHS App onto your phone or tablet from the App store on Apple devices, or the Google Play Store on Android devices.**

**Discover what you can do in the NHS App today, visit [www.nhs.uk/nhsapp](http://www.nhs.uk/nhsapp)**
